

# Educate a Girl – Change the World: An evening with Dianne Rinehart

**Want to make the world a better, safer place?**

**Simply educate a girl.** Countries where girls are educated have less government corruption, healthier populations, and faster growing economies than countries where girls are not educated. With 30 years of journalism experience Dianne Rinehart has covered United Nations human rights conferences, as well as reported on women's rights issues.

**Thursday, October 18 - 7:00 pm**

TOWN HALL SOUTH ATRIUM
